Dear SCS Families,

Please be advised that the Board of Directors of The Soccer Club of Springfield has determined that all soccer activities for the spring season will be cancelled. As always, our top priority is the health and safety of our players, coaches, and trainers.

The Soccer Club of Springfield will provide updates as we receive them from NJ Youth Soccer, our respective local leagues, and town officials for upcoming seasons and local soccer opportunities for our players.

As a result of these cancellations, refunds will be issued for payments made for the spring season. Fees for participants in the Junior Bulldogs, K-2 programs and SYSL will be refunded in full. A fifty percent (50%) refund will be issued to all participants in the MCYSA program given the season fees for that program covered both the fall and spring seasons.

We will provide a follow up communication once the method and timing of all refunds has been determined with our outside registration vendor. Our expectation is that refunds will commence being issued within the next thirty (30) days.

Sincerely,

The Board of Directors

Soccer Club of Springfield
